  <section id="about">
    <div class="section-content">
      <h2>About Me</h2>
      <p>As a BCA student interested in web development, you're on a great path to
mastering technologies like HTML, CSS, JavaScript, and frameworks such as React or Angular.
You might also explore backend development with Node.js, PHP, or Python (Django/Flask) and
databases like M SQL..
         I'm driven by the desire to craft high-performance web applications that enhance user
experience and provide
            seamless digital solutions. I'm dedicated to staying up to date
            with the latest trends and innovations in the
            web development landscape.Motivated and detail-oriented BCA 2nd-year student
with a strong foundation in web development. Proficient in front-end and back-end technologies,
including HTML, CSS, JavaScript, and PHP. Knowledge of responsive design, database
management (MySQL), and frameworks like React and Bootstrap. Passionate about creating
user-friendly web applications and eager to learn and grow in a professional environment.
Looking for an opportunity to apply my skills and gain hands-on experience in web
development.</p>
